

EFET congratulates Marcus Bokermann on his re-election as chair and welcomes new members to the Board

16/11/2022

EFET is pleased to announce that **Marcus Bokermann**, Director for Continental Power Trading at Vattenfall, has been reappointed as Chair of the EFET Board. Following his appointment Marcus said: "I am delighted that my colleagues have asked me to continue my role as EFET Chair. It's an honour for me to represent companies from all across Europe and to lead an Association with such a depth of expertise. I believe that especially in times of the energy crisis, markets have a vital role to play in order to ensure security of supply and foster decarbonisation. We need to clearly make that case and continue to work at national and European level to make markets more efficient driving the transition to a sustainable energy system."

EFET is also delighted to welcome members to the EFET Board:

- **Paul Dawson**, Head of Regulatory Affairs (RWE)
- **Giuseppina Squicciarini**, General Manager Regulatory Affairs Europe & Africa (Shell)
- **Marilo Garcia Rodriguez**, Deputy Director European Union Regulation (Endesa)
- **Luka Jazbec**, Head of Regulation and Compliance (GEN-I)
- **Stanislav Kostka**, Head Generation and Dispatch (CEZ)
- **Mark Simons**, Head of Gas & Power Trading Origination (TotalEnergies)
- **Jessica de Boeck**, Chief Legal counsellor (Engie)
